

POWER GENERATOR ACCESS SOLUTIONS

**BANKS
INDUSTRIAL
GROUP**

PUT THE FINISHING TOUCH ON YOUR SITE PROJECT, WITH SAFE GENERATOR ACCESS.

Light-weight, and a less expensive option than fabrication, our safe access stairs keep you in compliance, and on budget. All while providing a safe work space for your employees.

Features:

Code compliant

100% Heavy duty lightweight aluminum

Non-conductive decking

HPD/LEED/ESG
Because our products are modular, repurposable, and contain recycled content, they can help contribute to several LEED V4.1 credits and other green building rating systems.

Reconfigurable

Modular design

Custom layouts

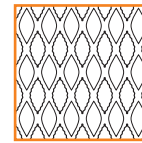

Leveling legs

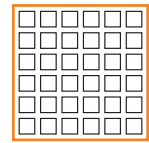

Slip-resistant decking

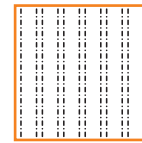

Multiple surface options to choose from:

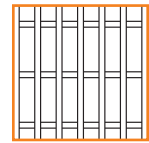

GRIP STRUT

FIBERGATE

EXTRUDED

BAR GRATING

Our prefabricated generator access stairs are ready to install and are constructed out of industrial-grade aluminum components.

The components bolt together, allowing for the possibility of endless configurations. Reduce your costs, cut installation time, and simplify your project.
